*Price and Information Guide*

Want me to be a fly on the wall, capturing all the raw, candid magic? Done. Need someone to wrangle your rowdy wedding party for those must-have group shots? I've got you. Think of me as your wedding day ninja, camera in hand, making sure no moment goes unnoticed.

# HI, I'M REBECCA

A creative soul with a thing for love stories.

I've always been all about creativity and those real, unfiltered connections—the kind that make your heart do a little happy dance. And let's be real, weddings are \*full\* of those tiny, blink-and-you'll-miss-it moments that end up meaning \*everything.\*

The fact that I get to freeze those moments in time for you?  
Kinda the best job ever.

Can't wait to hear all about your plans—let's make some magic!

## KIND WORDS

Rebecca was basically like a second wedding planner. She kept me sane, kept me on track, calmed me down, stuck to our timeline (even when I had no idea what time it was). I made the statement that even if her pictures weren't gorgeous I would still hire her just to hang out with her and I stand by it. But it just so happens that her pictures are incredible. She captures moments so perfectly that I remember exactly how they felt. She had a way of disappearing when taking pictures of just me and my husband and helped us feel so comfortable and natural. Gave perfect direction but also inspired us to be ourselves. If you hire Rebecca as your wedding photographer you're 10 steps ahead.

## *Album design*

We'll design your album together, encapsulating all your favourite moments. A generational treasure to be shared for the years to come.

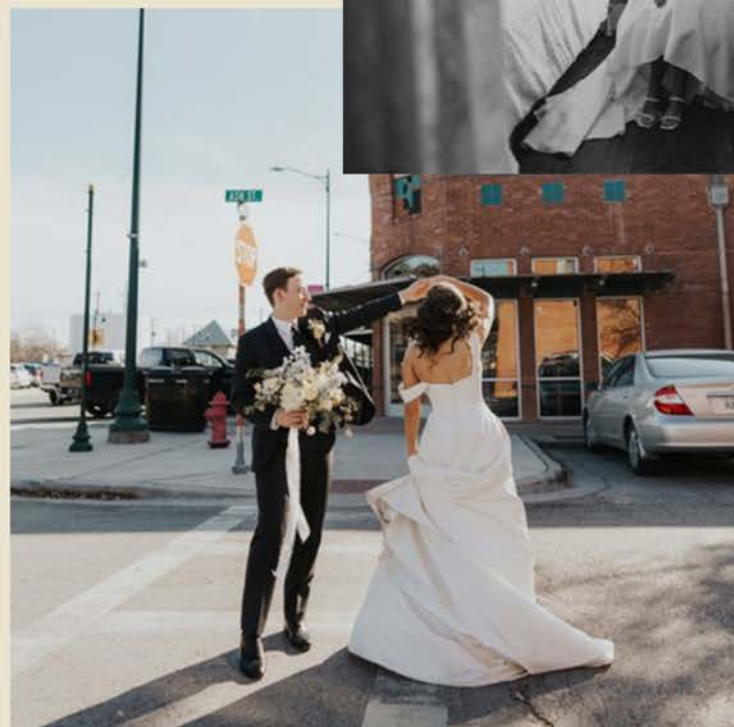

I recently had the absolute pleasure of working with Rebecca as our wedding photographer, and I can't praise her enough! From start to finish, Rebecca demonstrated a level of professionalism, creativity, and genuine passion for her craft that truly set her apart.

First and foremost, Rebecca's ability to make people feel relaxed and comfortable during pictures was such a big help. As someone who isn't very comfortable in front of a camera, she made the bridal shots fun and easy.

Furthermore, Rebecca's professionalism and attention to detail were impeccable. She was incredibly organized and responsive throughout the entire planning process, ensuring that every aspect of our photography needs was taken care of. On the day of the wedding, she was efficient yet careful, allowing us to get all the shots we wanted without sacrificing the quality of them.

Photography was one of the most important aspects of our wedding, and working with Rebecca was an absolute delight, and we couldn't be happier with the results. We are forever grateful for the beautiful memories she captured for us, and we wholeheartedly recommend her to anyone in search of a photographer who will exceed their expectations in every way possible.

Add a second shooter, and we've got it covered! 🌟👉

Think of the second shooter as my trusty wingman/wingwoman—doubling the coverage of your wedding! We'll team up to make sure every moment, big and small, is captured from start to finish.

An engagement shoot is your chance to capture some gorgeous, candid moments of just the two of you in a relaxed, no-pressure environment. It's all about being yourselves.

And if you're a little camera-shy? No worries! It's the perfect chance to get comfortable in front of the camera before the big day.

Either way, I promise we'll have a blast while doing it! 🌟🌟

I've got you covered! Check out my 2025 itinerary below—who knows, I might already be headed to your dream spot! Drop me a line with your plans, and let's sprinkle some magic on those details! 🌍✨💍

## FAQ

### *Where are you based?*

I'm based in Houston, Texas, but I travel everywhere to capture love stories around the globe! 🌍📷

### *Do you photograph internationally?*

You bet I do! Nothing gets me more excited than the chance to shoot a destination wedding or elopement. If you're dreaming of taking your celebration overseas, reach out, and let's chat about all the amazing details! 🌍📷✈️

### *Do you do same-sex weddings?*

A million times YES!!! LGBTQIA+, no matter how you identify or how you define your relationship, I'd be honored to be a part of your wedding day. Love is love, and I'm 100% here for it! 🏳️🌈❤️

### *Do you photograph elopements?*

If you and your partner are thinking of skipping the fuss and running off for a private ceremony with just the two of you (or a few close friends), I'd be *\*absolutely\** honored to capture your intimate moment. Our elopement packages start with 4 hours of coverage—get in touch if you'd like to learn more! ✨📷

### *How many photos will I receive?*

You'll receive 600-800 photos, depending on how many hours we shoot and how action-packed your wedding day is! 📷✨

### *How will I receive my photos?*

First things first, I'll send you a handful of sneak peek shots a couple of days after your wedding to hold you over. Then, 8 to 12 weeks later, you'll get a link to your online gallery and slideshow to relive your day all over again.

### *How long will it take to receive our photos?*

It'll take about 8 to 12 weeks to receive your final wedding photos. I pour a lot of love and care into perfecting each image, which is why it takes a little extra time to deliver the final gallery. If you're eager to get your photos sooner, just ask me about the rush fee! ✨📷

### *Will you guide us throughout our time together?*

Don't worry about a thing! By this point, we'll basically be friends—and I'll be there to direct, pose, and guide you through the whole shoot. Think of it as a laid-back, fun hangout with a camera. I promise you'll look amazing and feel totally comfortable! 📷✨

### *What happens if disaster strikes?*

This has never happened and *"will never"* happen, but just in case—I've got contacts all over the world who can step in. These are other talented photographers I trust, and they'll take great care of you. 📷✨

### *Do you have a payment plan?*

Yes, we can absolutely split your payments into 3 installments. Just let me know if that works for you! 🍷✨

# LOVE NOTES & KIND WORDS

*"The best choice for our wedding"*

Rebecca was literally the best choice for our wedding photographer. She knew exactly the vision I had for whimsical, authentic photos. She was also so much fun to hang out with all day, it just felt like hanging out with a friend. She made us feel so comfortable taking photos and gave us prompts for the more "posed" photos. She'll even let you have a few sneak peeks after all the chaos of the big day. She is absolutely amazing!

*DENAY & CHRIS*

*"The only vendor we didn't shop around"*

We are so happy we booked Rebecca as our wedding photographer! Not only is she talented and professional, but she is so much fun. It felt like she was a guest, who just happened to also take amazing photos. From our first meeting over coffee, my husband and I felt so comfortable with her. She listened to our needs, and was able to work with us and customize a package we were so excited about! I actually think this was the only vendor where we didn't "shop around" - we knew she was the one! A perk was that we got great recommendations from her for other vendors, too. The second shooter she brought day of was also amazing! I would recommend Rebecca to anyone who doesn't want the typical wedding photographer, but wants to really capture the personality behind the photos. Thank you so much for making our day so special, Rebecca!

• *LAURA & CLINT*

*"Rebecca was basically a second planner"*

Rebecca was basically like a second wedding planner. She kept me sane, kept me on track, calmed me down, stuck to our timeline (even when I had no idea what time it was). I made the statement that even if her pictures weren't gorgeous I would still hire her just to hang out with her and I stand by it. But it just so happens that her pictures are incredible.
